Renault(रेनो) has been at the forefront of revolutionising the automobile industry by delivering comfortable, stylish and efficient automobiles. With many eye-catching inventions such as The Gearbox, The Sedan, The Turbocharger, The Hatchback and The MPV, Renault has not just changed the way the world travels, but also the way the world looks at automobiles. With a global presence, it has succeeded in becoming the travel companion of choice for millions.

Stopping at nothing is in the DNA of Renault. This has seen the company expand its horizons to, and conquer, new frontiers. Testimony to this being Renault's 12 Constructors' Championships and 3 consecutive victories at the Indian Grand Prix in Formula One® racing, considered by many as the ultimate technological test in motorsports.

Now, with 5 admirable cars, Renault is primed to revolutionise the Indian automobile market. A fact that's reinforced by its growing dealer network and increasing customer base. With continuing emphasis on R&D, Renault is on track to change the way India drives.

MEET THE RENAULT FLUENCE.

## ***SPORT LUXURY***

Few things in this world command so much attention and need such little persuasion as the Renault Fluence.

Flaunting an upscale look and armed with substance inside, this is one car that outshines every other on the road. The Renault Fluence exudes elegance and delights with its performance. Take it to work or take it out for a fun spin. You'll find the sleek styling, state-of-the art technology and luxurious comfort elicit looks of both envy and appreciation.

The incredible agility and enhanced efficiency balance ever so perfectly with a host of advanced features.

But above all this, the Renault Fluence carries an unmistakable attitude. One that unstintingly conveys status and stature.

# DESIGN

The Renault Fluence establishes its brand identity by featuring a lustrous black grille that highlights the chrome Renault logo beautifully. The front is further enhanced by the use of LED daytime running lights with a striking chrome garnish and state-of-the-art halogen projector headlamps. To top it all off, there are the new R16 Kaleido alloy wheels that further enhance its look. If the exterior is mesmerising, the interior is inviting. The integrated dual-tone upper dashboard has a soft touch finish, yet it is also resistant to everyday weathering. The cabin comforts and interior refinement are meticulously crafted to please the eye and soothe the senses. Go ahead, change the way you look at automobile design.

**SOFT TOUCH  
DUAL-TONE DASHBOARD**

The integrated upper dashboard has a 4-layered, soft touch finish, yet is resistant to everyday knocks and exposure to direct sunlight. This makes it classy as well as perfect for Indian driving conditions.

**NEW FRONT RADIATOR GRILLE**

The new front radiator grille is imposing and eye-catching. The Renault logo stands out perfectly against its lustrous black background, beautifully conveying the car's new brand identity.

**ABUNDANT CABIN SPACE**

The interior space is amongst the largest in its category, making it a truly comfortable premium saloon car.

**ALLOY WHEELS**

The Fluence's stylish new R16 Kaleido alloy wheels add to the dynamic look of the car and improve handling and stability.

**LED DAYTIME  
RUNNING LIGHTS**

Seduction guaranteed. Apart from adding to your car's aura, the Fluence's powerful new LED daytime running lights sport a striking chrome surround. They also keep you safe by increasing the conspicuity of the car.

**PROJECTOR HALOGEN  
HEADLAMPS**

With black headlight masks and chrome eyelashes, the new headlamps are longer, creating a sharper, more powerful look. Built-in halogen projector lamps offer excellent light projection to ensure greater visibility as well as safety on the road.

# COMFORT

A refined atmosphere, plush leather upholstery, stylish chrome accents and features to invigorate the senses. All reveal a desire to take comfort to the next level. The dual-zone regulated air-conditioning aligns with this appealing harmony. The electric power steering in the Renault Fluence combines precise driver feedback with a swift and accurate response for a smoother drive. The technology employed and the calibration of the control unit ensure both steering precision and pure driving pleasure. Every feature within the Renault Fluence is built to pamper.

**SOFT TOUCH  
DRIVER CONTROLS**

Ergonomically laid out controls mean all essential functions are easy to manage, including climate control, radio, telephone fingertip remote control and cruise control / speed limiter.

**SPACIOUS BOOT**

Spacious and easily accessible, the boot has a luxurious capacity of 530 litres. Use it to carry generous amounts of family luggage, sports gear, groceries and much more.

**DUAL-ZONE AUTO CLIMATE  
CONTROL**

This intelligent function enables the driver and front passenger to select individual temperatures and fan speed preferences via the soft-auto-fast controls.

**LUMBAR SUPPORT**

The driver's seat is designed ergonomically with the driver's well-being in mind and provides optimal back support for a comfortable, stress-free drive.

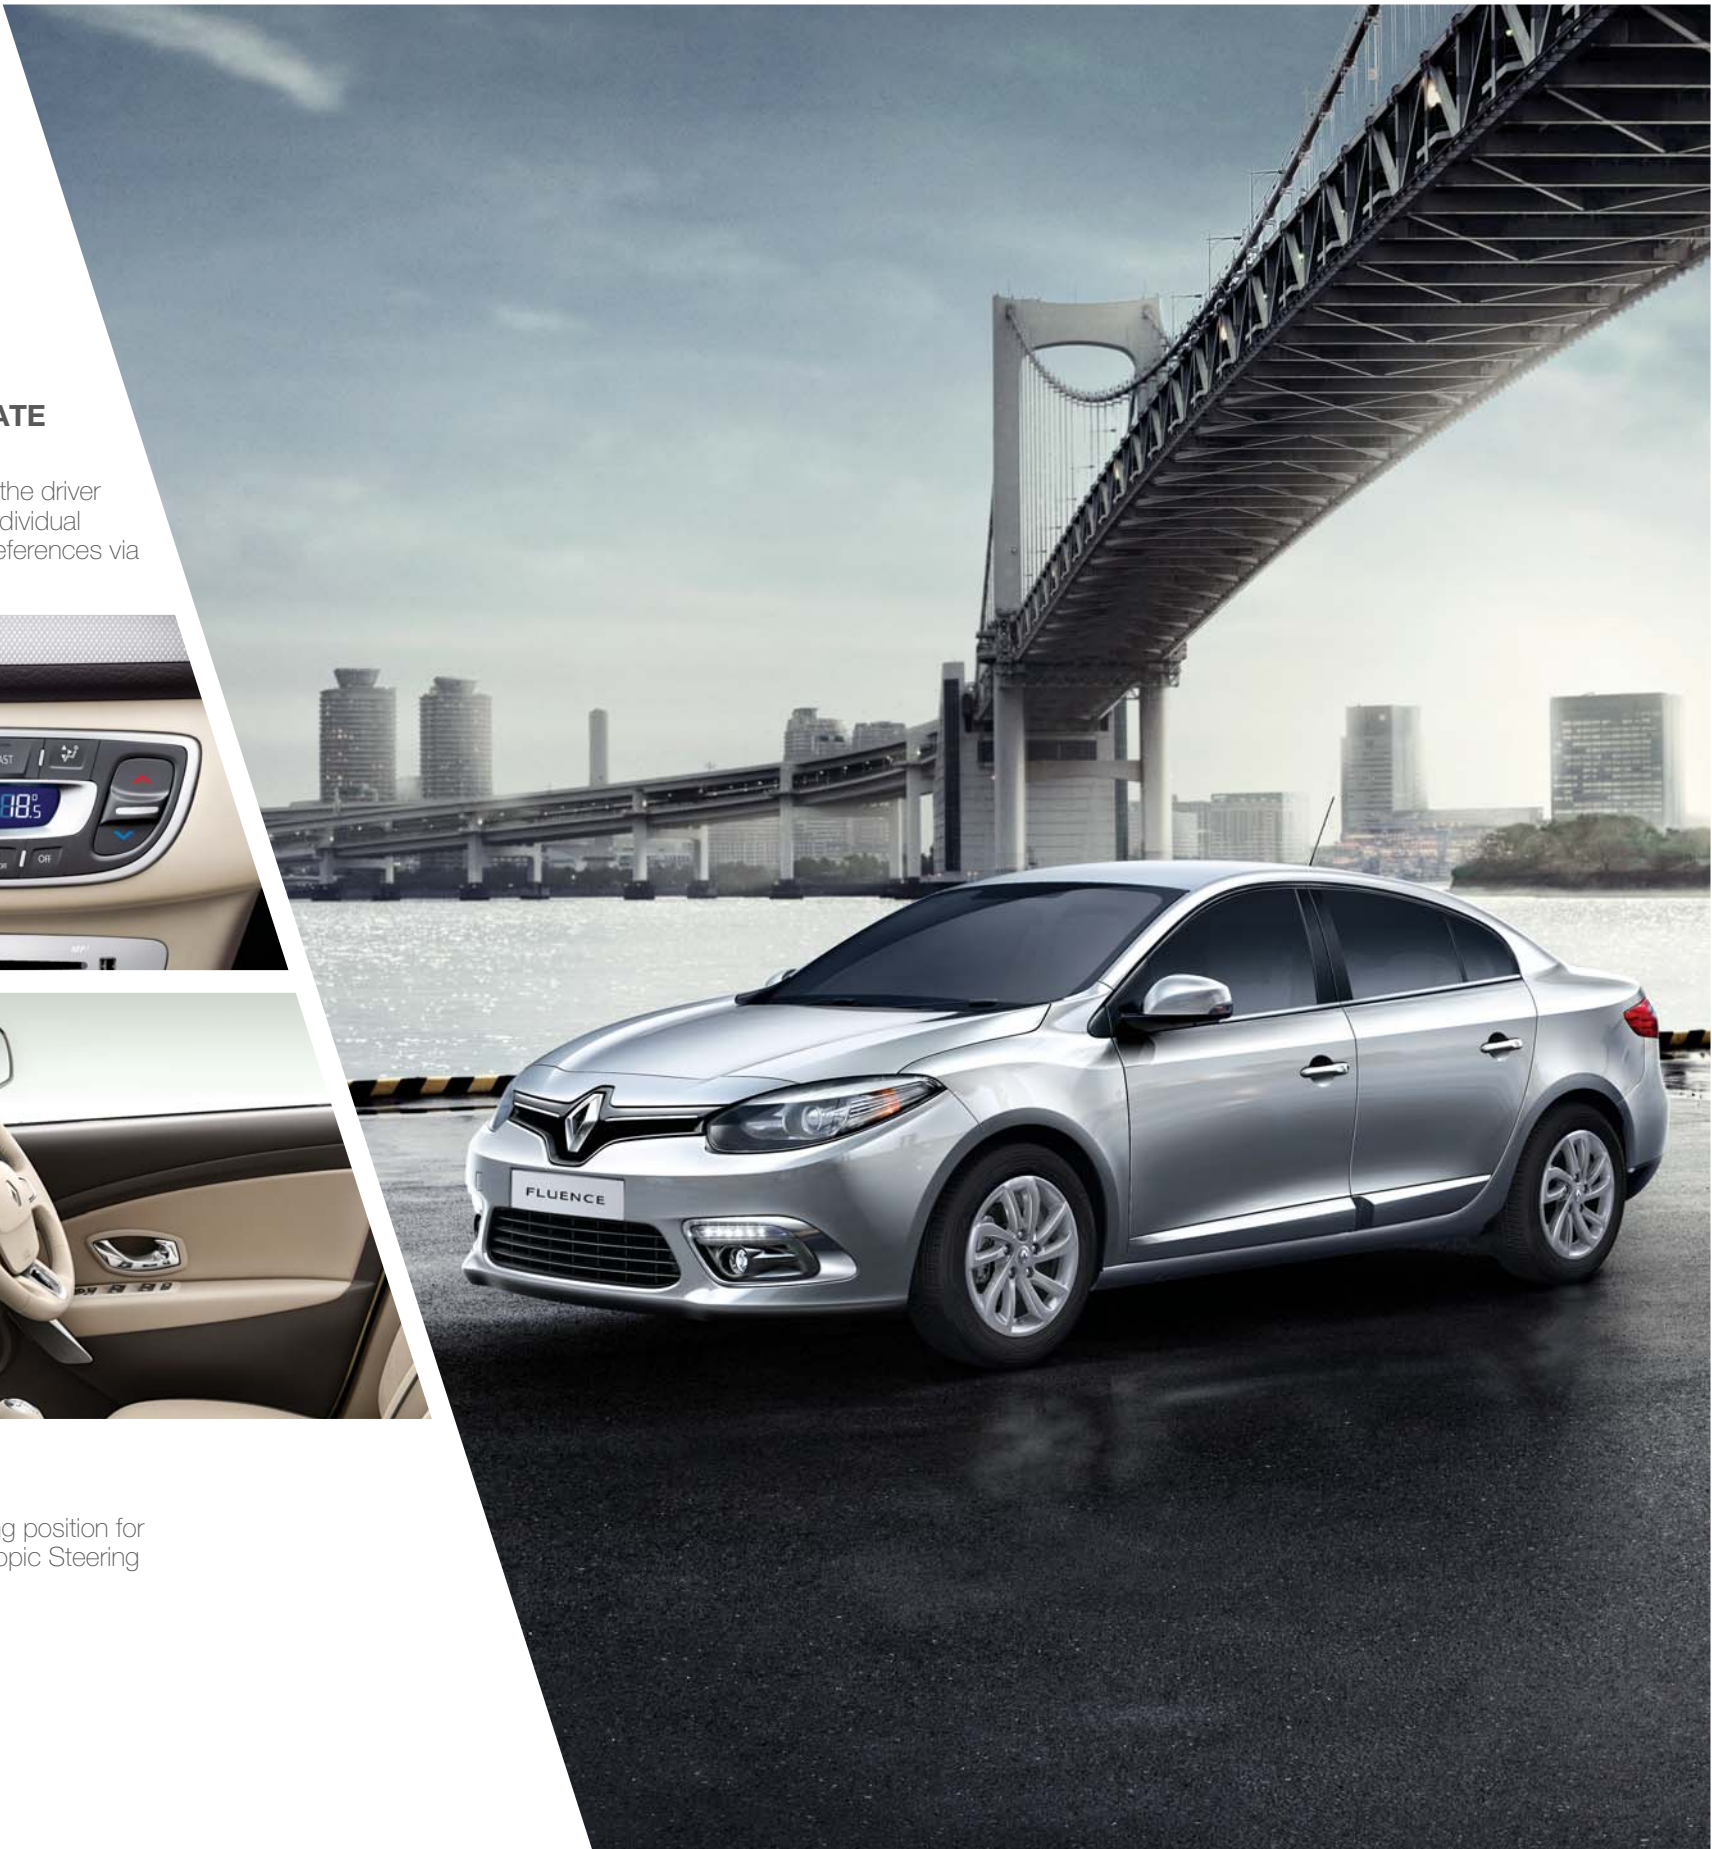

**TILT & TELESCOPIC  
STEERING WHEEL**

Find the most comfortable driving position for yourself with the Tilt and Telescopic Steering Wheel function.

**SMART DIGITAL  
INSTRUMENTATION CLUSTER**

The stylish, easy-to-read and ergonomically optimised digital meter cluster helps you gain in speed and accuracy.

# TECHNOLOGY

The state-of-the-art Renault Fluence is fully equipped with efficient, user-friendly technology. The Smart Access Card makes ignition keys a thing of the past. The 3D Surround technology by Arkamys® is always at hand to deliver big, crisply clear sound. The Bluetooth® and Plug & Music option enables drivers to control auxiliary players such as an iPod or compatible devices with a USB connection via the steering wheel-mounted fingertip remote controls. Several other practical touches complete this high-tech package, each of which aims to enhance your experience of the car. Finally, technology does what it's supposed to do – take driving pleasure to a whole new level.

**CRUISE CONTROL AND SPEED LIMITER**

The cruise control allows you to cruise at a desired speed using controls on the steering wheel without the strain of using the accelerator, for an easy, stress-free drive. The speed limiter helps you govern and limit the top speed of the car.

**FRONT AND REAR PARKING PROXIMITY SENSORS**

The parking distance control system makes parking easier by warning you of obstacles in the front and back through a sequence of beeps. The beeps speed up as you get closer to the obstacle.

**SMART ACCESS CARD AND START/STOP BUTTON**

Just keep the card on you. The car locks and unlocks automatically. And the start/stop button in the car lets you start / stop the engine without any key or effort.

**6-SPEED MANUAL GEARBOX**

A slick, 6-speed gearbox, whose ratios are perfectly matched to the engine's output, gives you excellent drivability in stop-and-go city traffic and also gives you the ability to cruise at a high speed on highways. The 6-speed gearbox paired with the renowned dCi engine delivers an excellent fuel efficiency of 20.4 kmpl\*.

**3D ARKAMYS® MUSIC SYSTEM**

For an enriching audio performance, Renault has worked with Arkamys® to develop the 3D Sound by Arkamys® system, which includes a powerful 140W system with four speakers and four tweeters. The Arkamys® digital sonic tuning system provides three-dimensional surround sound and precise sound reproduction tailored to suit the forms of the cabin and the materials employed. A dual antenna is also included to ensure optimal radio reception. Its Bluetooth® and Plug & Music feature enables you to hook up your digital music player to stream music, make calls and use other functions on your smartphone.

# SAFETY

Renault's responsible vision involves providing the most modern and effective passive and active safety systems. All systems from the seatbelts to the Electronic Stability Program are tested in the most demanding conditions, so you may never be surprised in any situation. Its state-of-the-art technology and pathbreaking research empower as well as inform the driver at all times, ensuring both safe driving and peace of mind.

**FOG LIGHTS**

The fog lights improve visibility in foggy or rainy conditions, while adding to the stylish look of the car.

**FRONT ANTI-WHIPLASH HEADRESTS**

These can be adjusted both in height and inclination to prevent risk of whiplash injury in case of a collision.

**ABS WITH EBD AND BRAKE ASSIST**

The Anti-lock Braking System (ABS), with Electronic Brakeforce Distribution (EBD) and Emergency Brake Assist (EBA), makes it possible to maintain control over the car's trajectory in the event of heavy braking.

**RAIN-SENSING WIPERS AND DUSK-SENSING HEADLAMPS**

The windscreen wipers with automatic intermittent function start and adapt their speed according to the intensity of the rain. A light sensor turns the lights on automatically when it gets dark or when you enter a tunnel.

**ESP® AND TRACTION CONTROL**

ESP® prevents wheel slip and loss of traction by reducing engine power and applying brake force to the wheels that need it. Traction control maintains traction on wet, icy, loose or uneven surfaces by applying brake force to the corresponding spinning wheel(s).

**AIRBAGS (2 FRONT AND 2 SIDE)**

The car is equipped with two airbags in the front and two more on the sides of the driver and co-passenger seat.

## DIESEL

The Renault Fluence is graced with the renowned 1.5 litre dCi diesel engine that gives you an output of 110 PS. Its 6-speed manual transmission with gear ratios perfectly matched to the engine's output offers a superlative driving experience. Be it a drive through city traffic or a cruise on the highway, the Fluence glides like a dream. That too, with a fuel efficiency of 20.4 kmpl\*.
