**1992
1998** Research and design

**1999
2015** A global group

Renault (रेनो) has been at the forefront of revolutionising the automobile industry by delivering comfortable, stylish and efficient automobiles. With many eye-catching inventions such as The Gearbox, The Sedan, The Turbocharger, The Hatchback and The MPV, Renault has not just changed the way the world travels, but also the way the world looks at automobiles. With a global presence, it has succeeded in becoming the travel companion of choice for millions.

Stopping at nothing is in the DNA of Renault. This has seen the company expand its horizons to, and conquer, new frontiers. Testimony to this being Renault's 12 Constructors' Championships and 3 consecutive victories at the Indian Grand Prix in Formula One® racing, considered by many as the ultimate technological test in motorsports.

Now, with 5 admirable cars, Renault is primed to revolutionise the Indian automobile market. A fact that's reinforced by its growing dealer network and increasing customer base. With continuing emphasis on R&D, Renault is on track to change the way India drives.

THE RENAULT KOLEOS. **WILDLY** SOPHISTICATED.

ONE SUV, TWO PERSONALITIES

Think elegance with a wild side. Behind the smooth and sophisticated lines, there is power just waiting to roar. An imposing front grille, refined chrome details - this is an exceptional SUV any way you look at it. Through its distinctive design, the Koleos proudly displays elegance and raw power in one package.

The Renault Koleos uses the best automotive technology embedded with the sole objective of giving you the best on-road experience. When you're in a Koleos, you're riding with raw power which can clearly be felt as you turn on its roaring and efficient engine. The Koleos is at ease while conquering rocky terrains and city roads. Its new and powerful 173 PS / 360 NM 4WD automatic and manual transmission powertrain, along with best-in-class handling and ride comfort, make driving this SUV a sheer delight.

And that's not all. The Renault Koleos is a dream come true for those who desire the luxury of a vehicle for outdoor and city use. Its futuristic design gives it a sophisticated look that makes people sit up and take notice. Fair to say, then, that the wild and the sophisticated have never been combined so beautifully.

ROBUSTLY EFFICIENT

ALL-TERRAIN POWER IN AN ELEGANT SUV

From everyday escapism to extra-urban adventure, there's no stopping you in your Koleos. Its boundless energy is ready to set you free. With 173 PS, Koleos handles with disarming ease; everything about it is aimed at optimising handling and manoeuvrability.

The Koleos is equipped with two transmission modes, each with its own unique advantage. With the latest generation 2.0 dCi diesel engine, the Koleos guarantees fantastic drive quality irrespective of the terrain. It ensures lower CO₂ emissions and controlled consumption, so the environment is also looked after. It also offers high-end acoustic quality that has been designed to eliminate vibrations in the passenger compartment, making it ideal for a peaceful escape.

Get in one to experience the tremendous power that the Koleos generates, coupled with efficient handling, making it a drive like no other.

Amazing Acceleration – The amazing power of the Koleos is on display as you zoom from 0 to 100 km/hr in 9.9 seconds[#].

Fuel Efficiency – The awesome power of the Koleos is matched by its excellent fuel efficiency of 17.15 kmpl*.

*ARAI certified mileage for 4x2 manual transmission.
#For 4x4 manual transmission version.

SILVER SATIN ROOF RAILS

Silver satin-finished roof rails complement the dynamic look of the car.

DUAL-TONE ELECTRICAL ORVMs WITH LED TURN INDICATORS

The dual-tone ORVMs with integrated LED turn indicators are electrically foldable, adjustable and heated.

RUGGEDLY ELEGANT

DISTINGUISHED DESIGN MEETS REFINED STYLE

The Renault Koleos is a showstopper. Its inimitable design and bold features make heads turn. From the new front radiator grille to chrome side protectors, every inch of the Koleos is crafted for superior comfort and stunning style. Within the city or out, there won't be a shortage of admirers.

CHROME FINISH FOG LAMPS

Stylish chrome eyelids enhance the front face of the car.

NEW FRONT RADIATOR GRILLE

Make a lasting first impression with the new front radiator grille. The unmistakable Renault logo against the black background emphatically conveys Renault's new design language.

ALLOY WHEELS

The all-new, two-tone R17 sporty alloy wheels are tested to withstand the driving conditions in India. They also add to the car's stability and style.

SPLIT TAILGATE

Electrically-operated split tailgate with easy access to load and unload, offering a massive 450 litres of storage.

AUDACIOUSLY SMART

There's no matching the Koleos when it comes to technological prowess. It is audaciously smart inside and out, delivering unmatched results with ease. Comfort inside the Koleos starts with the 6-way adjustable seats, luxurious upholstery, spacious interiors and is completed with the world renowned **BOSE** Entertainment System.

The temperature is regulated by an automatic air-conditioning system. One look and you'll certainly believe that it's the smartest SUV of the 21st century.

REAR PARKING SENSOR

The parking sensors alert you to any obstacles behind the car and help you park in tight corners.

DUSK SENSOR

The dusk sensor detects light levels and automatically turns on your headlights when the light is low (like when driving in tunnels), helping you drive more safely.

RAIN SENSOR

The front windscreen wipers, with automatic intermittent facility, start and adapt their speed according to the intensity of the rain.

ALL-MODE 4x4 i-TRANSMISSION

A choice of three modes:

- **AUTO Mode** (default mode when starting): The All-Mode 4x4 i-transmission system guarantees best possible traction in all conditions by permanently optimising the torque split to the four driven wheels - those which benefit from the most grip, receive more torque.
- **LOCK Mode**: In more difficult conditions and at speeds of less than 40 km/hr, torque is evenly distributed to the front and rear wheels, allowing the Koleos to showcase its 4x4 ability.
- **2WD Mode**: The two-wheel drive mode is ideally suited for dry roads or highway driving.

CRUISE CONTROL & SPEED LIMITER

Cruise control allows you to cruise at a fixed speed using controls on the steering wheel without the strain of using the accelerator. The speed limiter helps you govern and limit the top speed of the car while in cruise control mode.

SMART ACCESS CARD

The vehicle detects the presence of the i-Key. Simply touching the handle or the boot lid unlocks the vehicle.

6-SPEED AUTOMATIC GEARBOX

The 6-speed automatic gearbox, whose ratios are perfectly matched to the engine's output, gives you excellent drivability in stop-and-go city traffic and also gives you the ability to cruise at a high speed on the highway.

EASY REAR ACCESS

The central rear armrest incorporates a flap. With the armrest removed, long objects can be carried with ease.

REAR GLASS ELECTRIC DEFROSTING

The rear glass is heated to prevent frosting and gives the driver a clear view at all times.

REAR AC VENTS

Passengers in the rear seats have adjustable AC vents for maximum comfort and convenience. They also help in balancing the temperature within the car.

TILT & TELESCOPIC STEERING WHEEL

Find the most comfortable driving position with tilt and telescopic steering wheel.

DUAL-ZONE AUTO CLIMATE CONTROL

Enables the driver and front seat passenger to select individual temperature and blower preferences via the 'Soft-Auto-Fast' control.

SMART STORAGE: UNDER FLOOR CUBBY

The uniquely positioned under floor cubby ensures better space utilisation and is ideal for storing your favourite CDs.

OUTSTANDINGLY COMFORTABLE

Step into the Koleos to experience the extraordinary space it has on offer. Its top-of-the range upholstery, crafted to create a pleasing atmosphere, makes sitting inside really enjoyable. The interiors of this generously proportioned 4x4 are ideally designed to put the driver and passengers at ease, thereby making long drives more fun. The meticulously crafted appearance of the Renault Koleos allows it to blend into any occasion. Its dashboard as well as its display dials optimise driving and contribute to the appealing ambience. What adds to the pleasure is its modular simplicity that ensures maximum comfort.

MAXIMUM SAFETY

The high level of protection of the Koleos has enabled it to obtain the maximum score of 5 stars in the  crash tests*.

6 AIRBAGS

The Koleos is equipped with 6 airbags (2 front airbags, 2 side airbags in the front and 2 curtain airbags front and rear) to protect passengers.

ELECTRONIC STABILITY PROGRAMME (ESP®)

It continually controls the grip of each wheel to maximise stability on corners, especially in wet conditions.

REINFORCED FRONT AND REAR IMPACT-RESISTANT BODY

The front and rear of the Koleos is reinforced to make it impact-resistant for better passenger protection.

HILL-START ASSISTANCE

During a hill-start, the brake pressure is maintained automatically for 2 seconds so that the driver can manoeuvre with ease.

HILL-DESCENT CONTROL

Activated by a button on the dashboard, the hill-descent control function assists in maintaining a constant speed (approximately 7 km/hr). The driver only has to control the steering wheel, while the system automatically controls the brakes and the accelerator.

INSTINCTIVELY SAFE

ALL-WEATHER. ALL-TERRAIN.

The Renault Koleos is a high-level performance vehicle with improved safety for all, including the driver, the passengers and also pedestrians. Safety is Renault's primary focus. In this regard, the Koleos is fitted with a combination of cruise control and a speed limiter. You'll find automatic headlight illumination and windscreen wiper activation in case of rain. Parking assistance and hill-start assistance complete this system. The Koleos also boasts of an excellent quick correction ability during times when the driver is facing a dangerous situation. The ESP® system controls and corrects the trajectory, while braking assistance reduces the distance on stopping. To operate on challenging roads, the Koleos is equipped with a speed stabiliser set at 7 km/hr while descending even the steepest slopes. On-board protection, especially for children, is ensured.

*Euro NCAP (New Car Assessment Programme) is an independent body.

EXCEPTIONALLY ENTERTAINING

ENERGY EFFICIENT SERIES SOUND SYSTEM.

Custom-made for the Koleos, the sound system provides a unique acoustic experience close to a live performance thanks to its seven speakers, subwoofer and digital amplifier.

Drive to the sound of your choice with the 8-speaker **BOSE** Entertainment System, which comes standard in the Renault Koleos. The world renowned sound quality of the **BOSE** Entertainment System and the ideal positioning of the speakers make the journey entertaining, whichever road you take.

BOSE ENTERTAINMENT SYSTEM

1. One 80mm (3.25-in) TWIDDLER neodymium mid/high range centrefill speaker in the middle of the instrument panel.
2. Two 36mm (1.5-in) TWEETERS, one on each side of the instrument panel.
3. Two 165mm (6.5-in) neodymium wide range SPEAKERS, one in each front door.
4. Two 165mm (6.5-in) neodymium wide range SPEAKERS, one in each rear door.
5. One 115mm (4.5-in) Nd® Richbass® WOOFER, housed in a 6.9-litre, custom-engineered enclosure mounted in the rear cargo area.
6. The system is powered by a compact amplifier.

BLUETOOTH®, AUX IN/IPOD, MP3 & RADIO

Hook up your digital personal music player using the USB and iPod sockets. Bluetooth® connectivity not only allows the driver to stream music, but also make calls and operate other functions from the cell phone.

STEERING MOUNTED CONTROLS

Manage your Bluetooth® and digital personal music system using the steering wheel controls.

THREE 12V CHARGING POINTS

3 charging sockets are available, ensuring the entertainment never stops.

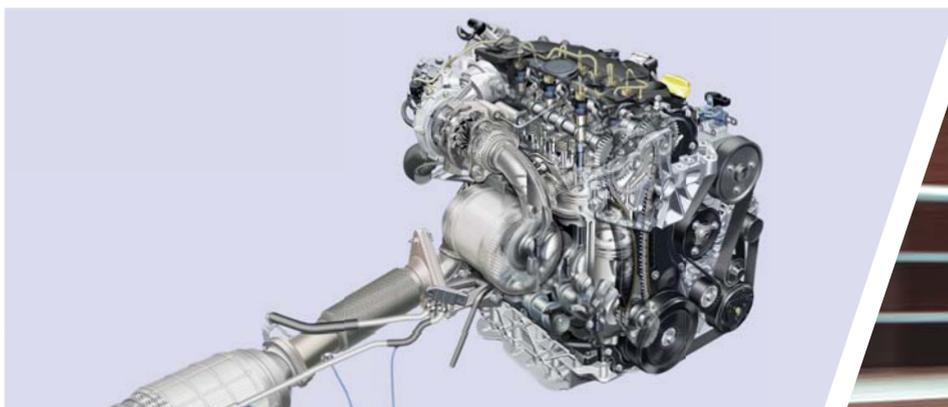

FEROCIOUSLY POWERFUL

Equipped with the latest generation 2.0 litre dCi diesel engine, the Renault Koleos comes in two transmission modes, i.e. Automatic and Manual. It is responsive and has an unstinting torque of 320 NM (2WD) and 360 NM (4WD) that provides superb grip.
